<p>Vinotemp Wood Cabinets have insulation at 11.6 R factor. A Magnetic seal 360 degrees is around each door.</p> <p>Real wood interior racking with metal bracing hold bottles in individual cubicles and some stacking by the cooling unit may be provided.</p> <p>We use Wine Mate cooling system which is efficient, and environmentally friendly with R134 refrigerant.</p> <p>Please view terms & conditions on www.vinotemp.com for warranties.</p> <p>Most units are oak exterior, economy models use Luan mahogany.</p> <p>If your unit includes finish there are 3 coats of stain and 3 coats of gloss. E series has only 4 choices of stains.</p> <p>The free standing units need ventilation of 6 inches or more clearance at the rear of the unit and 12 inches on the sides and top for proper circulation of air.</p> <p>Improper installation puts your wine at risk and will void your warranty. Freight is collect. We can export and crate for export.</p> <p>You can pick up the unit from our factory. We can schedule delivery for you via van lines or trucking companies.</p> <p>Hard to find woods are also available. Due to wood textures and variance color might be different.</p>
