

VT-26SB-ID 8-Bottle Open Wine Cooler

Store your best bottles in Vinotemp's stylish and compact 26-Bottle Wine Cooler with Interior Display. Sophisticated and practical, this cooler features a black cabinet, dual-pane glass door with stainless steel trim, a sleek pole handle, and sturdy wire shelves with wood lip. An easy to read push button control panel makes monitoring and adjusting the temperature of this cooler a breeze. Illuminating the interior, a soft glowing LED light creates a gorgeous display and helps you find all of your favorites. This modern unit is the ideal choice for those just beginning their wine collection or as a show piece.
