

VINOTEMP'S MINI KEG BEER DISPENSER MAKES ITS NATIONAL TELEVISION DEBUT

DEBUT IN KRIS HUMPHREY'S NEW BACHELOR PAD ON THE NETWORK'S POPULAR SHOW MARRIAGE

Vinotemp, a leading manufacturer in the wine storage and refrigeration industry for 25 years, today announced that three of its premium and convenient Mini Keg Beer Dispensers made their national television debut as a part of Kris Humphrey's sleek, modern bachelor pad makeover featured on the newest episode of E! Network's hit show *Man Cave*.

"Like our customers, the producers of *Man Cave* were drawn to the sleek, practicality and reasonable price point of Vinotemp's Mini Keg Beer Dispenser," states India Myers, president of Vinotemp International. "Vinotemp is honored to be featured in this episode because it provided us with the opportunity to show that, in addition to an unparalleled wine storage option, Vinotemp is also committed to offering an extensive collection of beverage dispensers." The latest episode of *Man Cave*, featuring three, side-by-side, Vinotemp Mini Keg Beer Dispensers, is now airing, creating a stylish bachelor pad for Kris Humphrey.

to use as a place to relax and entertain his friends. The newly styled bachelor pad was impressed by the sleek design of dispensers. In addition to looking great in Kris Humphrey's new bachelor pad, Vinotemp's Mini Keg Beer Dispenser offers ultra-quiet, energy efficient thermoelectric technology to cool the beer. And, thanks to simple to serve front-to-back design from the comfort of home, digital temperature control allows the user to set the exact temperature of the dispenser's contents (38-54 F) while CO2 regulates the beer.

Vinotemp's sleek Mini Keg Beer Dispenser (VE-BD) features a back and front body complemented by a metal spigot that is removable for easy clean-up. The tabletop unit can dispense pre-carbonated and non-carbonated beer and includes a top bucket, pressure and standard keg adapter, keg wash, a pressure release tool, cleaning bottle, CO2 regulator, regulator adapter, three CO2 cartridges, and AC/DC power cord. The unit measures 10.5" W x 21" D x 17.25" H and is available for purchase through www.vinotemp.com for \$299.

The Kris Humphrey *Man Cave* episode is scheduled to air on the E! Network throughout the month of March.
