## EXPERIENCES

For those with a need for speed, the limited edition "Dream Racing Experience: Full Throttle," package gives Indy 500 wannabees a once-in-a-lifetime chance to learn from former pro race car drivers. The package kicks off with a private helicopter ride to the Las Vegas Motor Speedway and practice time in a 3D simulator before hitting the track in the driver's seat of a Ferrari 430 GT race car. An in-car camera captures all the action and is yours to keep, along with a certificate, racing shoes and gloves.
