

VT-54TS-SM 54-BOTTLE TOUCH SCREEN MIRRORED WINE COOLER

Store your wine at the perfect temperature with the 54-Bottle Touch Screen Mirrored Wine Cooler by Vinotemp. Featuring dual-pane glass doors with mirrored trim and a sleek pole handle, this unique wine cooler is sure to reflect your excellent taste! Sturdy black wire racking cradles approximately 54 of your favorite bottles of wine. A digital touch screen control panel conveniently located at the top of the door allows you to set the temperature of the cooler. Soft glowing LED interior lighting illuminates your collection and creates a gorgeous display, while the front exhaust allows you to seamlessly integrate this wine cooler into existing cabinetry or use it as a freestanding unit. This wine cooler is ideal for the wine lover with an eye for style!
