EL-168ZZ-S

EL-168ZZ-S SINGLE-ZONE WINE COOLER

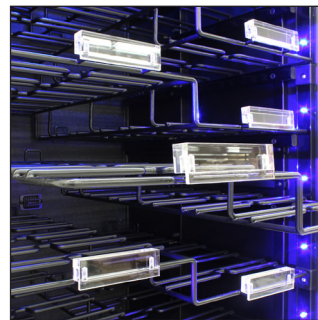

Store your wine collection in this elegant Vinotemp EL-168ZZ-S Single-Zone Wine Cooler. Featuring seamless stainless steel glass door and all-glass technology, this cooler has room to store up to 157 bottles on twelve full size Prism™ Zig Zag Racks with acrylic patent pending strips and 1 bulk storage section. A digital temperature control panel located at the top of the cooler allows you to see and set the temperature for your wines. The interior Vinotemp BioBlu™ LED lighting (which helps reduce the growth of bacteria and mold) and the design of Luminescent Racks create a gorgeous pattern display and make it easy to find your favorite bottles. A black cabinet with dual-pane glass door and door lock add to the style and functionality of this cooler. This wine cooler will make your medium to large sized wine collection stand out.
