

EL-46SS-2Z-L Butler Series 46-Bottle Dual-Zone Wine Cooler (Left Hinge)

Vinotemp's Butler Series 46-Bottle Dual-Zone Wine Cooler is a must-have for the avid wine collector. With two independent temperature zones, this unit is perfect for storing both red and white wines at their optimum temperatures. Specially designed Ouzo™ racking cradles each bottle and ensures your bottles are housed securely. A centrally located control panel makes it easy to set and monitor the temperature of the cooler and turn the interior lighting on or off. An all black cabinet with insulated glass door with stainless trim make this unit an attractive addition to any room. A front exhaust makes it simple to build this refrigerator into existing cabinetry. Shelves can be adjusted to store bottles in multiple configurations.

Features:

- Dual-zone unit
- Black cabinet
- Dual pane glass door with stainless trim
- Door lock and key
- Pole Handle
- Centralized digital control panel
- LED interior lighting
