EL-WCU102-01

15-BOTTLE TOUCH SCREEN SINGLE-ZONE WINE COOLER

Maintain your small wine collection in this 15-Bottle Touch Screen Single-Zone Wine Cooler. The EL-WCU102-01 Wine Cooler features a handsome design with black body, dual-pane tinted glass door with recessed handle, adjustable feet for leveling, and a touch screen temperature control panel on the outside for easy accessibility. Soft blue led lighting illuminates your small collection, creating a dramatic display. This compact, sleek wine cooler is a perfect fit for any part of your home that requires a touch of wine. Store up to 15 wine bottles on a durable metal wire shelf and in a bulk storage space. This unit is designed for freestanding installation only.
