

Outdoor Kitchens Heating Up, While Appliances Keep Cool

America has always been fond of grilling, but more and more, the outdoor grilling station has become an entertainment area with expanded cooking capabilities. Consumers are looking for additional living space, and these outdoor kitchens allow them to enjoy entertaining outdoors while keeping a seamless flow between indoor and outdoor kitchen spaces.

Winter Sky Outdoor Cabinets

Danver Stainless Outdoor Kitchens announces a new line of cabinet door finishes. The new cool-tone colors, Slate, Winter Sky (shown) and Pearl Night Blue were created to meet demands of builders, architects and designers. These color options are applied through a powder coat process directly to the stainless steel and provide a virtually maintenance-free finish....

Professional Outdoor Grills

Viking Professional Outdoor 5 Series grills, carts and companion units have been added to the outdoor collection from Viking Range. The 24"-deep grills include 25,000 BTU stainless steel burners and a 15,000 BTU Gourmet-Glo Infrared Rotisserie Burner. Stainless steel grates, an Easy Lift Canopy System and Blue SoftLit LED lights are also featured.
