**Vinotemp Mirrored Two Drawer Wine & Beverage Center**  
When designing a home and life together, nothing will make guests gawk more with envy than the Vinotemp Mirrored Two Drawer Wine & Beverage Center. Adding a sleek and modern touch to any room, this dual compartment refrigerator allows you to set the thermostat of the two independent temperature zones. Whether you're a wine enthusiast with specifications for your beloved bottles, or love a stylish way to store soft beverages, this versatile unit offers something for everyone. The upper drawer can store up to 24 12-ounce cans, while the lower drawer can preserve up to 21 bottles of wine. The handsome stainless steel trim, door frames, and handles coupled with mirror drawer panels enhance the cooler's modern appeal, as the Vinotemp BioBlu LED Lighting helps to reduce the growth of bacteria and mold while extending an attractive digital display. **Why We Love It:** Equipped with a front exhaust, the Vinotemp Mirrored Two Drawer Wine & Beverage Center is the perfect choice for any home, with its versatile design that allows it to serve as a freestanding unit, or built-in beneath a countertop. Another perk that we can't argue with: not only can wine and beverages be enjoyed at the desired temperature, it also frees up precious food refrigerator real estate. **MSRP: \$1,699, available at Vinotemp.com**
