

DESIGNER SERIES

15 Inch Single-Zone Beverage Cooler

VT-DS15BC-R / VT-DS15BC-L

The Vinotemp Designer Series 86-Can Seamless Beverage Center is an essential for those who love to entertain. Equipped with front exhaust, this beverage cooler is designed to fit seamlessly in existing cabinetry or to be installed on its own as a freestanding unit. The easy to use touch screen control panel makes adjusting the temperature simple while providing peace of mind that your beverages are always ready to be enjoyed. The blue LED lighting illuminates your beverage behind a seamless stainless steel door making this beverage cooler an aesthetically pleasing addition to any room. With glass shelving and an attractive stainless steel trim, this unit is sure to be a centerpiece of get-togethers for years to come. Available in both right (VT-DS15BC-R) and left-hinge (VT-DS15BC-L), you can double your wine storage options by installing two units side by side.
