

## DESIGNER SERIES Stainless Outdoor Refrigerator VT-DS15SB90-OR

The Designer Series Stainless Outdoor Refrigerator is perfect for those who love to entertain outdoors! It features an easy to clean stainless steel body, door, full-length door handle, and front exhaust. Three adjustable chrome-plated wire racks and basket will keep your food and beverages organized. Interior light is provided for added visibility. The well insulated door helps to protect against the elements. While this refrigerator is designed for the outdoors, it makes a perfect addition to any indoor space as well!
