

Designer Series 149 Bottle Seamless Dual Zone Wine Cooler VT-DS26SBA149

Both stylish and functional, the Vinotemp Seamless 149 Bottle Wine Cooler is the perfect solution for your growing wine collection. Its black cabinet, stainless steel door and gliding metal shelves with wood trim provide an elegant and modern display. Our distinctive black rack is a patent pending Vinotemp design exclusive. The soft interior light illuminates your wine, making it easy to read labels and find your favorite bottle. The centrally located panel allows you to easily adjust both temperature and humidity. This unit is built with two temperature zones; one for reds and one for whites. An ideal choice for the wine collector with sophisticated taste!
