

4.7 Cu. Ft. Outdoor Freezer

VT-FZR240I

Designed for either indoor or outdoor use, the Vinotemp 4.7 Cu. Ft. Outdoor Freezer can be installed as either a built-in or freestanding unit. The sleek black cabinet body and stainless steel door with a recessed handle make this unit a stylish addition to any space. Reversible door swing allows for a variety of installations – pair this with a second cooler to double your storage capacity. The internal digital control panel makes setting the perfect temperature simple, while the Dynamic Cooling feature enables you to store all of your goods under the exact same conditions. Other convenient features include leveling legs, an internal LED light, and four adjustable shelves. An exterior door lock ensures your collection does not fall into the wrong hands.
