Vinotemp

INDUSTRY LEADING
COMMERCIAL WINE STORAGE
SOLUTIONS SINCE 1985

"For over 30 years Vinotemp has been dedicated to providing the world's top restaurants and resorts with wine storage solutions that not only properly store the commodity, but also add to the design aesthetic of each location's environment," states India Hynes, CEO of Vinotemp. "This continued dedication to style and function inspired our team to create the new **Private Reserve Series 300-Bottle Commercial Wine Cooler**. From its unique interior lighting options to its inventive new racking, we're excited about Vinotemp's latest commercial offering because the cooler adds a new level of visual appeal to commercial wine storage."

The new Vinotemp Private Reserve Series 300-Bottle Commercial Wine Cooler shown with two of three interior lighting options: Vinotemp BioBlu™ (left) and Amber (right).

Special Offer: Use Promo Code: **BARTENDER** to receive 10% Off your next purchase. Offer expires October 30, 2017.
