

VINOTEMP & Qualified Remodeler
“QR Outdoors 2018 Planning Guide”

Vinotemp's latest addition to its outdoor entertaining appliance offering, the 41-Bottle Outdoor Wine Cooler, is included in the popular trade magazine's annual planning guide. Highlighted for its versatility—a result of its adjustable shelving and temperature range—the write-up also highlights the cooler's ability to perform in temperatures as high 106°F.

AUDIENCE: Print | 209,137

“Written for corporate executives and managers in the remodeling industry, and targeted at professional residential remodeling contractors, designers, and architects, Qualified Remodeler’s content focuses on the latest developments in designing, installing, estimating, and marketing – covering a range of topics that are relevant to residential remodeling projects.”
 – Qualified Remodeler
