December 7, 2018

Vinotemp, a leader in architectural wine storage solutions and cooling technology, has announced a new line of kitchen appliances, Brama by Vinotemp, with the launch of the Brama Stainless Dishwasher. As the first appliance offered in the new Brama line, the ENERGY STAR-certified dishwasher boasts a multitude of features including a 16-place-setting capacity, flexible racking and quiet operation. The dishwasher is energy efficient and features a self-cleaning multi-filter system that reduces the amount of water used to clean. Featuring a third rack and an easy-to-clean, stainless-steel door, the first offering in **Vinotemp's** new appliance line also includes 44dB operation during its six washing options and a turbidity sensor to customize and enhance cleaning.
