6. Costel wall-mounted vanities by **JEFFREY AL-EXANDER** echo European trends with straight lines, slab-front drawers and high-gloss finishes. Depending on the model, the vanities include single drawers, two side-by-side drawers or two stacked drawers. Single and side-by-side drawers include a second, hidden drawer to maximize storage.
7. **RUVATI** combines two of today's trends with the Farmhouse Freesty Sink, now available in a black finish. The sink boasts a farmhouse style with the traditional apron-front design, as well as a reversible option that allows the choice of a smooth, flat finish on the apron front or a decorative fluted motif.
8. The Villa Collection from **OMVIVO** consists of three countertop basins, as well as a freestanding bath. Available in cove grey (shown here) and white (shown), Villa is produced from a blend of acrylic, natural minerals and is finished by hand for a smooth, matte finish.
9. **Jasmine** from **CORBETT LIGHTING** mimics an elegant branch made of metal, which stems out to support handcrafted flowers of glass, alternately translucent and frosted. Old World artistry and clean-lined modernism are both reflected in this botanical design, which includes gold or silver finishes.
10. The Tailor Apron-Front Sink from **KOHLER** offers an interchangeable front panel that can support any custom creation, including matching the panel to a tiled backsplash or countertop material for continuity or adding a pop of color. Kohler also offers pre-designed curved apron fronts in design-forward patterns, which allows customers to be able to easily swap them out.
11. Manufactured from stainless steel, the R70V Towel Dryer from **VOGUE** can be fitted horizontally or vertically and is designed in five heights. The R70V can be connected to an existing hot water system or installed as an electric option. It is ideal for humid and wet environments like a family bathroom or shower room.
12. Geo Colorful from **NEST STUDIO** is an extension of the Miami modernism-inspired Geo Series with custom powder-coated colors of choice (upon request). This selection of hardware is outdoor friendly, and the screws can be powder coated as well to match or contrast.
13. XLU mirrors from **DURAVIT** feature a colored light function that can move from cool to warm light to match the user's circadian rhythm. An icon control on the surface is also used to adjust the ambient lighting surrounding the mirror. The mirrors are touch free to prevent smudges, and the user needs only to hover a finger over the controls to use them.
14. **ZEPHYR** has introduced a new line of Presso Wine and Beverage coolers in a black stainless-steel finish.
15. **16. VINOTEMP** has launched the Vinotemp Wine Vault. Made from premium cherry wood, it includes handcrafted racks to accommodate up to 30 cases of wine. Equipped with a Wine-Mate 1500CD Self-Contained Compact Wine Cooling System, wine is kept at a stable storage temperature between 50- and 65-degrees Fahrenheit, while control technology maintains ideal humidity levels.
