## NEW PRODUCTS

### 1. CALIFORNIA FAUCETS

The latest lavatory faucet in the manufacturer's Bel Canto Series eliminates the lever handle in favor of a new E3 cylinder, creating a fully modern, streamlined look. The handle is a small hub atop the faucet stem and is identical in shape. Users push the hub to operate the faucet and move it left or right to adjust water temperature. Two sizes are available, and there is a new Matte Black finish option for the cylinder handle (shown). [calfaucets.com](http://calfaucets.com) circle No. 800

### 2. VINOTEMP

This wine vault cabinet allows homeowners and collectors to store up to 368 bottles. Equipped with a Wine-Mate compact wine cooling system, the vault keeps bottles at a stable temperature between 50° F and 65° F and 50% to 75% relative humidity. The unit also offers digital temperature and humidity control, audio and visual alarms, and warm white LED light. Made from cherry, it measures 48 ¾ inches wide, 29 inches deep, and 83 ½ inches tall.
