Vinotemp Outdoor Refrigerator

Designed for outdoor use, the **Brama** Outdoor Refrigerator from **Vinotemp** can be installed as either a built-in or freestanding unit. The sleek, black cabinet body and stainless-steel door with a pole handle make this unit a stylish addition to any outdoor living space. The internal digital control panel makes setting the perfect temperature simple and enables you to store all of your goods under the exact same conditions. Other convenient features include leveling legs, an internal LED light, and three adjustable shelves.
