## VINOTEMP & PRODUCTS

### 9 Products To Elevate Outdoor Kitchens

Highlighted for its versatility (easy installation and simple-to-adjust temperature zones), Vinotemp's Outdoor Dual Zone Beverage Cooler is highlighted in the popular trade publication's weekly newsletter (K+B Design).

### AUDIENCE:

**Weekly Newsletter: 44,773**

"PRODUCTS is a news site and quarterly magazine that brings the latest in building product and material news to residential builders, architects, remodelers, and kitchen and bath designers. It's a one-stop shop for new building product launches, installation techniques, research and date, and picks from industry professionals. Each issue includes product releases, in depth trend reports, products comparisons, case studies, and advise from industry leaders."

*Vinotemp 15-Inch Outdoor Dual-Zone Wine & Beverage Cooler*

*Vinotemp's dual zone beverage cooler is a stainless-steel appliance that fits into many different styles, the company says. The product allows for two separate temperature settings. The cooler has a climate control alarm system, safety lock, kick plate, reversible door swing, and dual-pane glass door. It can store up to 35 cans and 19 standard wine bottles on glass and wood shelves. Dimensions of the dual-zone cooler are 15 by 22 9/10 by 34 3/10 inches.*
