Wine storage solutions brand [Vinotemp](#) has unveiled a new unit that combines wine storage and refrigerated drawers in one package.

The latest offering in the brand's Connoisseur Series, the Stainless Steel Wine & Beverage Cooler is designed to provide sophisticated storage at the perfect price point, the brand says.

"We were meticulous in the designing of our latest wine and beverage storage solution because we wanted to offer a sleek, clean, modern look while providing extensive storage and accessibility," says India Hynes, CEO of Vinotemp. "And the new Stainless Steel Wine & Beverage Cooler delivers it all, along with the option of built-in or freestanding installation."
