Kitchen & Bath Design News

Product Trend Report: Personalized Upgrades

The popular trade magazine included the launch of Vinotemp's Brama Built-In Microwave in a product trend report inspired by increased demands resulting from more time spent at home – including more people cooking at home. The report highlights appliances tailored to the specific needs of homeowners and their families.

AUDIENCE: Magazine (print & digital) | 231,000

"Designed for the kitchen and bath remodeling field of the residential construction industry. Includes coverage of industry news and trends, new products, sales, design, management and marketing strategies, showroom ideas and consumer buying patterns."
