#### WHAT'S HOT

### What's Hot in Refrigeration

1. **LG ELECTRONICS USA** has expanded its slow-melting LG Craft Ice technology to 19 refrigerator models. The technology can produce double the amount of craft ice in the same amount of time for bespoke beverages at home. Additional optional features include a versatile Pull-Convert Drawer that switches among five custom fridge-to-freezer temperatures and LG InstaView "knock-on" glass technology. MSRP is \$4,199.99. [www.lg.com](http://www.lg.com)

2. **SMEG** launched a new refrigerator, Portofino, a freestanding model featuring structured and clean lines, bold colors and enhanced interior storage. Inspired by traditional Mediterranean hues, the 28-in.-wide, EnergyStar-qualified appliance can hold up to 26 bags of groceries. It is available in red, black, anthracite, white (shown here) and stainless steel. MSRP is \$2,999. [www.smegusa.com](http://www.smegusa.com)

3. **FISHER & PAYKEL's** Bottom-Mount Refrigerator/Freezer Column is available in 24-in. (shown here) and 30-in. sizes (ideal for small spaces). The column employs ActiveSmart Foodcare, which learns how the consumer lives to adjust temperature, airflow and humidity inside to help keep food fresher for longer. The appliance starts at \$6,399 U/MRP. [www.fisherpaykel.com/us](http://www.fisherpaykel.com/us)

4. The **WHIRLPOOL** 36-in.-wide Counter-Depth Four-Door Refrigerator offers flexible organizational spaces to make items easy to store and find. Additional features include pull-out freezer shelves, a divider in the ice bin for added flexibility and TotalCoverage cooling to keep every shelf equally cold. Shown here is the refrigerator in fingerprint-resistant, metallic steel. MSRP is \$2,199. [www.whirlpool.com](http://www.whirlpool.com)

5. **TRUE RESIDENTIAL** has unveiled the Slide-Top Beverage Refrigerator, which comes in 24-in. and 36-in. sizes, with each respectively accommodating 108 12-ounce bottles or 144 12-ounce cans and 264 12-ounce bottles or 348 12-ounce cans. The units are currently available in black or stainless-steel (shown here) finishes with soon-to-come custom colors including saffron, cobalt, retro red and matte white. Prices start at \$1,620. [true-residential.com](http://true-residential.com)

6. **BIG CHILL** has announced the launch of Winter Edit, a curated palette of custom colors designed in collaboration with Los Angeles-based interior designer Natalie Myers. As the second in a series of seasonally launched color offerings from the brand, the Winter Edit's four colors—green brown, ochre yellow, beige and ivory (shown here with copper trim)—are available in all of Big Chill's collections—Classic (shown here), PRO and Retro. MSRP for the refrigerator shown is \$5,496. [www.bigchill.com](http://www.bigchill.com)

7. The **BOSCH** Refreshment Center Refrigerator includes a beverage drawer providing a display for up to 17 bottles of red or white wines. This French-door refrigerator has the new Bosch FarmFresh cooling system with dual compressors and dual evaporators to keep foods fresher for longer. MSRP is \$4,899. 8. **ELECTROLUX's** new Counter-Depth Four-Door Refrigerator features a convertible fridge-to-freezer drawer that can adjust from -8 degrees up to 45 degrees. This model also includes automatic humidity control on sensor drawers designed to manage moisture to keep produce fresher for longer. This refrigerator also has two ice makers and auto-closing doors. MSRP starts at \$4,399. [www.electroluxappliances.com](http://www.electroluxappliances.com), Photo credit: AJ Madison

9. The **VINOTEMP** Garage 168-Bottle Dual-Zone Wine Cooler is a solution for cellaring wine in an easy-to-access location without sacrificing space in the home or constructing a wine cellar. The cooler features a sleek, minimal design but is engineered with added insulation in both the cabinet and the door to withstand temperature changes in warmer and colder climates. MSRP is \$2,799. [www.vinotemp.com](http://www.vinotemp.com)
