News Feature**

Vinotemp's newest refrigeration appliances, the Brama 300-Series Pantry Refrigerator and the Garage 300-Bottle Dual-Zone Wine Cooler, are made to work as cold storage options for anywhere in the home.

**VINOTEMP INTRODUCES PANTRY REFRIGERATOR AND  
300-BOTTLE GARAGE WINE COOLER**

**The new appliances are made with an eye toward pantry, basement, or garage storage settings.**

The Brama 300-Series Pantry Refrigerator incorporates a sleek black cabinet body and pole handle. While it may be used anywhere in the home, the refrigerator features added insulation for use in out-of-sight locations, as well as protection against major temperature shifts in warmer or colder climates.
