## VINOTEMP &

### Animal Planet | Animal Crib

Animal Planet's newest series, Animal Crib, stars renowned designer Antonio Ballatore and showcases home transformations catered to pets and their owners alike. And, Vinotemp's 155-Bottle Dual-Zone Connoisseur Series Wine Cooler plays a major role in the series' second episode as part of a drinking station designed for two dogs and their wine-loving owners.

### AUDIENCE: 1,000,000+ total viewers

"Designer and animal enthusiast Antonio Ballatore has partnered with Animal Planet for the first time to bring his visionary and innovative design aesthetic to pet lovers everywhere in the all-new series, Animal Crib. Antonio, his project manager Grace, and his right hand-dog, Chewie the bulldog, along with a team of Catsperts and Barkitects, transform drab, cramped homes and outside areas into functional, high-style spaces for both pets and the people they love."
