## Vinotemp® Jan. 2019

### VINOTEMP & The Chicago Athenaeum's GOOD DESIGN® Award

The Private Reserve Series 188-Bottle Wine Cooler has been recognized with the coveted 2018 GOOD DESIGN Award. The product was awarded for its ability to meet a growing market demand for design-forward, large volume, cooled wine storage solutions and its smart function, seamless style, and cutting-edge technology. Vinotemp is one of just 36 products recognized in the 2018 Kitchen Appliances category, and one of only two wine storage solutions honored.

#### About the GOOD DESIGN Award:

"Founded in Chicago in 1950, GOOD DESIGN remains the oldest and the world's most recognized program for design excellence worldwide. This year (2018), the Museum received a record number of submissions from the world's leading manufacturers and industrial and graphic design firms representing the most important and critical mass of influential corporations in the design industry from over 47 countries." – Chicago Athenaeum, GOOD DESIGN
